Highly Confidential Security System	Version 1.0
User Manual	12-04-2013
The Fallen	

1. Overview

The sole function of the system is managing online user files. User can register once for system access and user unique username and full proof authentication to access services.

Registered user has full access to all services of the system like file upload, sharing if necessary, add to contact list, download after authentication, change handy information needed for daily usage.

The requirements for using this application are:

- Java runtime environment
- A web server (apache tomcat)
- A database engine (ibm db2)

This manual itself is divided into two sections (excluding this overview):

1. Registered users – features for registered users.
2. Admin – features for admin.

Each section is divided into further subsections detailing on more specific aspects of the application.

2.3 Respond to request

The user can view pending friend requests and either accept or reject the request.

A screenshot of a Firefox browser window displaying the 'Highly Confidential Security System' homepage. The page features a large 'SECURED' logo with a red 'CONFIDENTIAL' watermark. The main title 'Highly Confidential Security System' is centered. A navigation bar at the top includes links for Portfolio, Locker, Shortcut, Shared Files, Contact List, Notifications (which is highlighted in black), and Share Files. A search bar is also present. Below the navigation, a 'Group Approval Requests' section shows a requester 'sneha@gmail.com' with two radio buttons: 'Accept' (selected) and 'Reject'. A 'Approval' button is located below these options. At the bottom of the page, there are '« Previous | Next »' links. The browser's status bar shows the URL 'localhost:8084/hcss/welcome1.jsp#6' and the date '4/11/2013'.

2.4 view/update profile

A screenshot of a Firefox browser window displaying the 'Highly Confidential Security System' homepage. The page features a large 'SECURED' logo with a red 'CONFIDENTIAL' watermark. The main title 'Highly Confidential Security System' is centered. A navigation bar at the top includes links for Portfolio, Locker, Shortcut, Shared Files, Contact List, Notifications, and Share Files. A search bar is also present. Below the navigation, a 'Update_Profile' section contains fields for First_Name ('bhagwan'), Middle_Name ('s'), and Last_Name ('kaprani'). Below these, fields for Mobile_No ('9870741215') and Date_of_Birth ('1992-10-25') are shown. An 'Update' button is located at the bottom of the form. At the very bottom of the page, a copyright notice reads 'Copyright © 2014 Highly Confidential Security Team | The Fallen'. The browser's status bar shows the URL 'localhost:8084/hcss/updateprofile.jsp' and the date '4/11/2013'.

Entering your email and password before downloading a file

A screenshot of a Firefox browser window. The title bar shows 'M1nbox (5,670) - meenali.k24@gmail.com' and 'Highly Confidential Security System'. The main content area displays a 'Highly Confidential Security System' logo with a red 'SECURED' watermark. Below the logo is a navigation menu with tabs: 'Documents' (selected), 'Images', 'Audio', and 'Video'. A sub-menu titled 'Select File to Download' shows a single item: 'connection.jsp'. A 'Document Upload' section includes a 'Choose the Document To Upload:' input field, a 'Browse...' button, and an 'Upload File' button. At the bottom is a 'Next »' button. A modal dialog box titled 'Please enter your details' is overlaid on the page, containing fields for 'Email' and 'Password', both of which are currently empty. Below these fields are 'Submit' and 'Cancel' buttons. The status bar at the bottom of the browser window shows '3:40 PM 4/11/2013'.

Incorrect information doesnot allow you to download the file

A screenshot of a Firefox browser window, identical to the one above but with different input values. The 'Email' field now contains 'meenali.k24@gmail.com'. A validation message 'Invalid Email' is displayed in yellow above the 'Email' field. The rest of the interface and the modal dialog box are the same as the previous screenshot.

Highly Confidential Security System	Version 1.0
User Manual	12-04-2013
The Fallen	

The screenshot shows a Firefox browser window with the URL localhost:8084/hcss/welcome1.jsp#. The page title is "Highly Confidential Security System". A large red watermark "SECURED CONFIDENTIAL" is overlaid on the left side of the header. The header includes a search bar and a user session message "Hi, sneha@gmail.com Logout". Below the header is a navigation menu with tabs: Portfolio, Locker, Shortcut, Shared Files (which is selected), Contact List, Notifications, and Share Files. The main content area displays a table titled "Your shared files." with three columns: Owner, Shared User, and File Name. The table shows one entry: "sneha@gmail.com" (Owner) and "hami@gmail.com" (Shared User) for the file "C:\data\sneha@gmail.com\audio\Maid with the Flaxen Hair.mp3". A "Revert" button is located below the table. Below this section is another table titled "Shared with you." with columns: Owner, Shared User, Select, and File Name. It shows one entry: "hami@gmail.com" (Owner) and "sneha@gmail.com" (Shared User) for the file "Maid with the Flaxen Hair.mp3". A "Download" button is located below this table. The bottom of the window shows the Windows taskbar with various icons and the system tray.

The screenshot shows a Firefox browser window with the same URL and title as the previous screenshot. The red "SECURED CONFIDENTIAL" watermark is present. The header and navigation menu are identical. The main content area has changed to a form titled "Select user to whom you want share files." It contains a dropdown menu with "hami@gmail.com" selected, a "Share Files" button, and a note: "Select file to share (at a time only one file can be shared because of the security reasons)". Below this are two radio buttons: "connection.jsp" (selected) and "Maid with the Flaxen Hair.mp3". A "Submit" button is at the bottom. At the very bottom of the window, there is a footer with links like "« Previous" and "» Next". The bottom of the window shows the Windows taskbar and system tray.
